MEMORANDUM FOR: Deputy Director of Central Intelligence  
THROUGH: Deputy Director for Science and Technology  
FROM: [REDACTED]  
Director, Foreign Broadcast Information Service  
SUBJECT: Memorandum to Department of State on FBIS  
Muslim World Coverage

1. Now that funding approval has been completed, FBIS has begun to move ahead on its plans for augmented coverage of the Muslim World. But we will need State Department support in several respects--primarily in regard to approvals for two small technical operations and for MIDE approvals on augmented staffing at several existing sites.

2. It is recommended that the attached memorandum be sent by Mr. Carlucci to Mr. Newsom at State to start things off. We have attached several relevant draft cables which may also be useful to State in understanding what we propose.
